A muddled man who went from this city to Montpelier on the Central Vermont train last evening thought he had reached Montpelier when the train stopped at Sabins crossing to whistle. So he jumped gaily off the train, expecting to descend on a platform. But there was no platform there, only a descent of several feet down a bank. The muddled man took this the easiest way, which was head first. He was not hurt but a package under his arm was damaged.

## Men's \$10 and \$12 Suits.

Good Suits at medium prices will be very scarce in most stores this season.

There has been a big advance in the price of woollens, trimmings, labor and, in fact, in everything that goes into a suit of clothes.

We anticipated this advance and wisely made provision for our Fall Stock before it took place.

#### THE RESULT

Today, we are showing the best \$10.00 and \$12.00 Men's Suits the town affords. The best tailoring—the best fabrics and the best of everything that it is possible for the money to procure.

The man who wants a medium priced Fall and Winter Suit, will make a bad blunder if he fails to come here for it.
